

FY 2021 SPECIAL ARTS INITIATIVE: CELEBRATE THE CREATIVE SPARK!

Unit Plan

The unit plan consists of <u>two</u> individual and virtual lessons for the <u>same</u> class/group of students. Lessons can consist of one pre-recorded (asynchronous) lesson and one live virtual lesson <u>or</u> two live virtual lessons. It should represent an arc moving from process through product, building on students' ideas and building their creative capacities in the unit activities. When crafting the unit plan, applicants are asked to align their activities to the following framework that speaks to the central tenets of creativity and creative thinking:
